2.0 Confidentiality:

2.1 In consideration of the mutual exchange and disclosure of Confidential Information, the Recipient undertakes in relation to the Discloser's Confidential Information:-

2.2 To maintain the same in confidence and to use it only for the Purpose and for no other purpose and in particular, but without prejudice to the generality of the foregoing:

- 2.2.1 not to make any commercial use thereof;
- 2.2.2 not to use the same for the benefit of itself or any third party other than pursuant to a further agreement with the Discloser;
- 2.2.3 not to copy or reproduce or reduce to writing any part thereof except as may be reasonably necessary for the Purpose, and that any copies, reproductions or reductions shall be the property of the Discloser;
- 2.2.4 not to disclose the same whether to its employees or to third parties except in confidence to such employees and directors who need to know for the Purpose, and that-
- 2.2.5 such employees and directors are obliged by contract not to disclose the same, and
- 2.2.6 the Recipient shall enforce such obligations at its expense at the request of the Discloser in so far as breach thereof relates to the Discloser's Confidential Information;

2.3. To be responsible for the performance of paragraphs 2.1 and 2.2. above on the part of its employees or directors to whom the same is disclosed.

3.0 Governing Law and Jurisdiction

- 3.1 The constructions, validity and performance of this Confidentiality Agreement shall be governed at all times by English Law and the English Courts shall have non-exclusive jurisdiction in respect hereof.
- 3.2 Nothing in this Confidentiality Agreement shall be construed to grant the Recipient any right or licence under any patent know-how, copyright or design right of the Discloser or any rights to use any intellectual property of the Discloser.
- 3.3 If any provision or part of a provision of this Confidentiality Agreement is held by any court or other competent authority to be void or unenforceable in whole or part, this Confidentiality Agreement shall continue to be valid as to the other provisions of this Confidentiality Agreement and the remainder of the affected provision.

In the course of any discussions, you may be exposed to products, plans, projects, drafts and other tangible materials that are proprietary. Equally you will be supplied with information, projects and plans developed for the purpose of this discussion or otherwise that are confidential ("Confidential Information"). As a condition of your participation in this discussion, you agree not to disclose to any third party, or use for any purpose, the Confidential Information, including in particular the materials that may be revealed or discussed regarding:

- The materials described or demonstrated
- The identity of the manufacturer
- Information concerning other participants, if any

Your identity will be kept confidential and not revealed to anyone outside the sponsoring company.

I agree to keep the confidentiality terms stated above
